Other EFT Transactions. You may access certain account(s) you maintain with us by other EFT transaction types as described below.

Electronic Check Conversion. You may authorize a merchant or other payee to make a one-time electronic payment from your account using information from your check to pay for purchases or pay bills. Electronic check conversion is a payment process in which a merchant or other payee (after obtaining your authorization) uses your check to gather routing, account, and check number information to initiate a one-time EFT. When information from your check is used to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day you make your payment. This type of EFT transaction involving a consumer account is covered by the Electronic Funds Transfer Act and this disclosure. A description of the transaction will appear on your statement.

Re-presented Check Transactions and Fees. You may authorize a merchant to electronically collect a fee associated with the re-presentation of a check that is returned due to insufficient or unavailable funds. The resulting fee transaction if debited as an EFT from a consumer account is covered by the Electronic Funds Transfer Act and this disclosure. When a merchant re-presents a check electronically, that transaction is not covered by the Electronic Funds Transfer Act or this disclosure. A description of the transaction will appear on your statement.

The following limitations may be applicable to your accounts, except as provided by law:

Liability for Unauthorized MasterCard Debit Card Transactions on Cards Issued to Certain Consumers and Small Businesses. The zero liability limit described below only applies to a United States-issued MasterCard branded debit card issued to: (i) a natural person, or (ii) a business or other entity only if the card is issued under a "small business" program described on MasterCard's website at www.mastercardbusiness.com. The zero liability limit described below does not apply if you are a business or an entity of any sort (corporation, limited liability company, partnership, etc.) unless the card issued to you is a "small business" card described above. The zero liability limit described below does not apply until your identity is registered by or on behalf of the card issuer. Under MasterCard's zero liability policy as described in the MasterCard Rules (as may be amended from time to time), the zero liability limitation described below may not apply for other reasons.

Tell us AT ONCE if you believe your MasterCard debit card has been lost or stolen or if you believe any unauthorized transactions have been made using your MasterCard debit card. Your liability for unauthorized use of your debit card with the MasterCard logo will not exceed zero dollars (\$0.00) if the following conditions have been met: (i) you have exercised reasonable care in safeguarding your card from risk of loss or theft; and (ii) upon becoming aware of such loss or theft you promptly reported the loss or theft to us. If the conditions set forth above have not been met, you may be liable for unauthorized transactions to the extent allowed under applicable law (for example, see **Liability for Unauthorized Transfers** paragraph below). To notify us of lost or stolen cards, or of unauthorized transactions, call or write to us at the telephone number or address set forth in the **Liability for Unauthorized Transfers** paragraph below. This will help prevent unauthorized access to your account and minimize any inconvenience.

Foreign Currency Conversion and Cross-Border Transactions - If you effect a transaction with your Card in a currency other than US Dollars, MasterCard will convert the charge into a US Dollar amount. The MasterCard currency conversion procedure includes the use of either a government-mandated exchange rate, or a wholesale exchange rate selected by MasterCard. The exchange rate MasterCard uses will be a rate in effect on the day the transaction is processed. This rate may differ from the rate in effect on the date of purchase or the date the transaction was posted to your account. MasterCard charges us a Currency Conversion Assessment of 20 basis points (.2% of the transaction) for performing the currency conversion. In addition, MasterCard charges us an Issuer Cross-Border Assessment of 90 basis points (.9% of the transaction) on all cross-border transactions regardless of whether there is a currency conversion. The fee we charge you for cross-border transactions/currency exchange is disclosed separately. A cross-border transaction is a transaction processed through the Global Clearing Management System or the MasterCard Debit Switch in which the country of the merchant is different than the country of the cardholder.

MasterCard is a registered trademark of MasterCard Worldwide or its subsidiaries in the United States.

In addition to the limitations set forth above, the following limitations may be applicable to your accounts:

Liability for Unauthorized Transfers. Tell us AT ONCE if you believe your card, ATM PIN, POS card or PIN, or online banking PIN has been lost or stolen or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within sixty (60) days after you receive a statement that shows any transfers that you did not make, you can lose no more than \$50.00 if your card is lost or stolen and someone used your card without your permission. Also, if your statement shows

transfers that you did not make, including those made by card code or other such means, tell us at once. If you do not tell us within sixty (60) days after you receive the statement, you may not get back any money lost after the sixty (60) days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods. If you believe that your card or code has been lost or stolen or that someone has transferred or may transfer money from your account without your permission, call (763) 862-6500, or write us at Community Pride Bank, 1441 Bunker Lake Blvd NE, Ham Lake, MN 55304. You should also call the number or write this address if you believe a transfer has been made using the information from your check without your permission.

Illegal Transactions. You may not use your ATM, POS, or Debit Card, or other access device for any illegal or unlawful transaction, and we may decline to authorize any transaction that we believe poses an undue risk of illegality or unlawfulness. Notwithstanding the foregoing, we may collect on any debt arising out of any illegal or unlawful transaction.

Business Days. For purposes of these electronic funds transfer disclosures, our business days are Monday through Friday. Holidays are not included.

Stop Payments on ATM, POS, or Debit Card Transactions. You may not place a stop payment order on any ATM, POS, or debit card transaction.

Documentation.

Periodic Statement. You will get a monthly account statement from us. You will get a quarterly statement from us on your savings account if this is the only account you maintain and the only possible electronic transfer to or from the account is a preauthorized deposit. If you have a passbook account, you may bring your passbook to us and we will record any direct deposits that we made to your account since the last time you brought in your passbook.

Terminal Receipt. You can get a receipt at the time you make a transfer to or from your account using an ATM or a POS terminal. However, receipts for transactions of \$15.00 or less may not always be available.

Direct Deposits. If you have arranged to have direct deposits made to your account at least once every sixty (60) days from the same person or company, you can call us at (763) 862-6500 to find out whether or not the deposit has been made.

Our Liability for Failure to Make Transfers. If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will **NOT** be liable for instance:

- * If, through no fault of ours, you do not have enough money in your account to make the transfer.
- * If the money in your account is subject to legal process or other claim restricting such transfer.
- * If the transfer would go over the credit limit on your overdraft line.
- * If the ATM where you are making the transfer does not have enough cash.
- * If the terminal or system was not working properly and you knew about the breakdown when you started the transfer.
- * If circumstances beyond our control (such as fire or flood) prevent the transaction, despite reasonable precautions that we have taken.
- * There may be other exceptions stated in our agreement with you.

In Case of Errors or Questions About Your Electronic Transfers. Telephone us at **(763) 862-6500**, or write us at **Community Pride Bank, 1441 Bunker Lake Blvd NE, Ham Lake, MN 55304** as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than sixty (60) days after we sent the FIRST statement on which the problem or error appeared.

- * Tell us your name and account number (if any).
- * Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- * Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days.

We will determine whether an error occurred within ten (10) business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty five (45) days to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10) business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account.

If a notice of error involves an electronic fund transfer that occurred within thirty (30) days after the first deposit to the account was made, the error involves a new account. For errors involving new accounts, point of sale debit card transactions, or foreign-begun transactions, we may take up to ninety (90) days to investigate your complaint or question. For new accounts, we may take up to twenty (20) business days to credit your account for the amount you think is in error.

We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

Confidentiality. We will disclose information to third parties about your account or the transfers you make:

- * Where it is necessary for completing transfers; or
- * To verify the existence and condition of your account upon the request of a third party, such as a credit bureau or merchant; or
- * To comply with government agency or court orders; or
- * If you give us your written permission.

Personal Identification Number (PIN). The ATM PIN or POS PIN is for security reasons. The numbers are confidential and should not be given to anyone else or listed on the card. You must keep your numbers safe. You agree not to give your ATM PIN or POS PIN to anyone who cannot sign on your accounts.

Notices. All notices from us will be effective when we have mailed them or delivered them to your last known address on our records. Notices from you will be effective when we receive the notice at our telephone number or address shown in this Agreement. We may change the terms and conditions for any EFT service. We will mail notice to you at least twenty one (21) days before the effective date of any change, as required by law. Use of EFT service is governed by regulations and any future changes to those regulations.

Enforcement. If you or we bring a legal action to enforce this Agreement or to collect amounts owing as a result of any Account transaction, the party who wins will receive reasonable attorneys' fees and costs, including fees on any appeal, to the extent allowed by law.

Cancellation of ATM and POS Services. You agree that we may cancel this Agreement and your use of the ATM Card or POS services, if:

- * You breach this or any other agreement with us;
- * We have reason to believe that there has been an unauthorized use of your ATM PIN or POS card or PIN;
- * We notify you or any other person on your account that we have cancelled or will cancel this Agreement. You or any other person on your account can cancel this Agreement by notifying us in writing.

Service is cancelled the first business day after we receive your written notice. Cancelling this Agreement will not affect your or our rights and responsibilities under this Agreement for transactions begun before the agreement is cancelled.

Delay. There may be a delay between the time you make a deposit and when you can withdraw the money. You should review our Funds Availability Policy to find out when you can withdraw money that you deposit at ATMs.

Completing Transactions. We refuse to complete a transaction:

- * If you do not have enough money in your account; or
- * If you would go over your credit limit; or
- * If it would lower your balance to less than the required balance; or
- * If it would require us to change the money that we hold for the account.

24 Hour Phone Banking Transactions. You may access your account by telephone using your account number(s), personal identification number (PIN), social security number and touch tone phone to:

- * transfer funds from checking or savings to checking or savings
- * make payments from checking or savings to loan accounts
- * get balance information about checking, savings or line of credit
- * get transaction history about checking, savings or line of credit

You may access your account for telephone transactions at the following number(s) and during the following hours:

- * (651) 628-9830 (24 hours a day)

Preauthorized Payments

Right to stop payment and procedure for doing so.

If you have told us in advance to make regular payments out of your account, you can stop any of these payments. Here is how:

Call or write us at 763-862-6500 or 1441 Bunker Lake Blvd, NE, Ham Lake, MN 55304 in time for us to receive your request three business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within 14 days after you call.

Notice of varying amounts.

If these regular payments may vary in amount, the person you are going to pay will tell you, 10 days before each payment, when it will be made and how much it will be. (You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.)

Liability for failure to stop payment of preauthorized transfer.

If you order us to stop one of these payments three business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

Other Minnesota Disclosures. ATM transactions are completed immediately with us. You cannot reverse a transfer of money through an ATM. Payment for goods or services by transfer of money through an ATM does not affect any of your rights, protections or liabilities under existing law concerning a cash or credit sale made by means other than through use of an ATM. We are liable for all unauthorized withdrawals at an ATM or a POS unless the unauthorized withdrawal was due to the loss or theft of the card, in which case you are liable, up to a maximum liability of \$50, for those unauthorized withdrawals made before we are notified of the loss or theft. The limitation on liability is effective only if the card issuer is notified of unauthorized charges contained in a bill within sixty (60) days of receipt of the bill by the person in whose name the card is issued. An unauthorized withdrawal is a withdrawal by a person other than you who does not have actual, implied or apparent authority for such withdrawal, and from which withdrawal you receive no benefit.

You may bring a civil action against any person violating the consumer privacy and unauthorized withdrawal provisions of Minnesota law. In addition to actual damages or \$500 (whichever is greater), you may recover punitive damages, plus court costs and reasonable attorneys' fees incurred.

To protect the privacy of customers using electronic financial terminals, including any supporting equipment, structures or systems, information received by or processed through such terminals, supporting equipment, structures or systems shall be treated and used only in accordance with applicable law relating to the dissemination and disclosure of such information. The person establishing and maintaining an electronic financial terminal, including any supporting equipment, structures or systems, shall take steps as are reasonably necessary to restrict disclosure of information to that necessary to complete the transaction and to safeguard any information received or obtained about a customer or his or her account from misuse by any person manning an electronic financial terminal, including any supporting equipment, structures, or systems.

ATM SAFETY TIPS

As issuers of Automated Teller Machine (ATM) access devices, we have provided for your information a list of safety precautions regarding the use of automated teller machines. Please read the following safety tips:

- * Be aware of your surroundings, particularly at night.
- * Consider having someone accompany you when the automated teller machine is used after dark.
- * It is appropriate to politely ask someone who is uncomfortably close to you to step back before you complete your transaction.
- * Refrain from displaying your cash. Pocket it as soon as your transaction is completed. Count the cash later in the safety of your car or home.
- * Consider using another automated teller machine or coming back later if you notice anything suspicious. If you are in the middle of a transaction and you notice something suspicious, cancel the transaction, pocket your ATM access device and leave.
- * Go to the nearest public area where people are located if you are followed after making a transaction.

* Report all crimes to law enforcement officials immediately.
